

Collection of 10 Images

Homework:

For the next class period, you must find ten (10) images that relate to the criteria below. Use any of the resources that have been shown to you in class for this, as there are many great websites that contain rich, high quality image files for educational use.

Considerations

- **Image size / quality** is important, as we *will* be printing them out in color.
- Refer to the Visual Analysis Guide #1; You need only complete the upper portion of the guide, as the lower portion will be addressed at a later time.
- Make sure all files are labeled for ease of use; Place all ten of the image files into a folder labeled “**10images_ah**”.

Themes (for this assignment)

1. Male human form
2. Female human form
3. Nature
4. Sacred space
5. Public space
6. Art of worship
7. Narrative
- 8. Choice #1**
- 9. Choice #2**
- 10. Choice #3**

Forms of Art

- **Sculpture**
- **Architecture**
- **2D** (Painting, Relief, Print, Photography)

Do the best you can to find artwork that satisfies the themes, yet also spans the range of art forms (listed below).
